IIPA CEU PROGRAM

The **Continuing Education Unit (CEU)** is a nationally recognized measure of participation in an approved non-credit continuing education program. One Continuing Education Unit (1.0) will be defined as *“one hour of participation in an organized continuing education experience under responsible sponsorship, capable direction, and qualified instruction.”*

IIPA is one of many non-profits throughout the nation that award CEUs to participants of approved programs. **IIPA Comprehensive Certified Iridologists will be required to accumulate 20 hours of Continuing Education Units (CEU's) over a two-year period.** *CEU's may be earned through IIPA by attendance at the Annual IIPA Symposiums, IIPA monthly webinars or pre-approved by the IIPA Board of Directors.* This program also allows those that are currently in other professions, allopathic or naturopathic, to use a percentage of their CEU's in conjunction with IIPA's courses. Of IIPA's required 20 hours of CEU's, 50% (10 hours) can be made up of these other CEU credits. Of these course credits, only 50% of the credit will apply to IIPA.

Please complete the form below and return to the IIPA Central Office for each CEU course completion.
