## WHAT IS IIPA?

IIPA is an association and certifying body for Iridologists worldwide.

IIPA promotes accurate Iridology, provides professional standards through certification examinations and maintains an active Research Department. Additionally, it is an accrediting body for Instructors and a sanctioning body for Schools teaching Iridology.

IIPA provides awareness and unification for the protection of Iridologists and natural health care providers.

## WHAT IS OUR VISION?

To see Iridology integrated into health care systems worldwide.

## IIPA MISSION STATEMENT

*The International Iridology Practitioners Association was founded for the purpose of increasing and communicating knowledge concerning the art and science of Iridology and to provide a forum for the exchange of information and research with the goal of promoting excellent international Iridology standards.*
